

Copyright Transfer Agreement

You (“**Contributor**”) accept and agree to the following terms and conditions (“**Agreement**”) for your present and future Contributions submitted to Reown Inc., a corporation incorporated under the laws of the State of Delaware (“**Recipient**”). Recipient and Contributor are referred to herein individually as a “**Party**” and collectively as the “**Parties**.”

1. Contributions

This Agreement applies to all source code, documentation, comments, tests, or other original works of authorship (“**Contributions**”) Submitted by Contributor to Recipient for inclusion in a software project maintained by Recipient (“**Project**”). “**Submitted**” means any form of electronic, verbal, or written communication sent to Recipient or its representatives, including but not limited to any extension or tool integrated with Recipient’s GitHub account, communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Recipient for the purpose of discussing and improving the Project.

2. Assignment of Copyright

Contributor hereby assigns to Recipient, without further consideration, all right, title, and interest worldwide in and to the Contributions, including all copyrights and all rights to register, enforce, and license such rights.

3. License to Third Parties

Recipient may distribute the Contributions under the license(s) applicable to the Project, as selected by Recipient, including but not limited to the Apache License 2.0, the MIT License, or any non-open source license adopted by Recipient.

4. Representations and Warranties

Contributor represents and warrants that:

- a. They are the sole author of the Contributions and have the right to assign the rights described herein;
- b. The Contributions do not infringe any copyright or other intellectual property rights of any third party; and
- c. The Contributions are submitted voluntarily and not subject to any conflicting contractual or employment obligations.

5. No Obligation to Use

Recipient is under no obligation to incorporate or use, now or in the future, the Contributions in the Project.

6. Miscellaneous

This Agreement is governed by and construed in accordance with the laws of the State of Delaware, United States, excluding its conflicts of law rules. All disputes between the Parties arising from this Agreement or associated with Contribution must be resolved in the courts of the State of Delaware. This Agreement constitutes the entire agreement between the parties concerning the Contributions and supersedes all prior understandings.
